Are you willing to be a group Coordinator? Yes \_\_\_\_\_

**Group Coordinators will get their text & shipping free. The first person who volunteers in writing in each course will be the Group Leader.**

**All students will pay for their own supplies. The \$5 postage will defray costs for shipping texts to the student and postage to and from the teacher.**

**Only courses with 10 registrations can be submitted.**

**Please submit a separate check for each GCC you want to take. That way, if one course does not receive 10 registrations, then that check can be returned to you.**

You can sign up for 1 or more courses--all 5 if you want.
