

## **SCR Seminar 2022 Report Mid-Year Meeting 2021**

The **Krewe of Needle and Thread** is busy planning a great seminar for 2022. We have contracted with eight fantastic teachers for our in-person 2022 SCR seminar. We will have a new addition with three virtual classes to be offered July-September 2022 via Zoom. This will allow members who cannot travel to the seminar during the in-person seminar **June 14-18, 2022** to take a Seminar sponsored classes. There will be a \$50 registration fee plus the cost of the class, kit fee and mailing. Some Seminar swag will be sent to virtual participants as well. Participants of in-person seminar can also take these classes **WITHOUT** any additional registration fees, just the class cost, kit fee, and mailing.

We are currently working on nametags, bag tags, mini-classes and Region Day to have all information ready for registration beginning July 1, 2021 at the Austin 2021 Seminar. WE will also have registration via the website as well. Our committees are working hard and can't wait to "Throw you something, Stitches!!"
